WINE & BOOKS LISBOA HOTEL

Wine & Books Hotels offer an innovative hotel concept supported by what best defines the Portuguese people and its culture: literature, gastronomy, wine, fado and, above all, hospitality.

Between the charm of Ajuda and the imposing Belém, the Wine & Books Lisboa Hotel is a celebration of the Portuguese identity and culture and of the constant dialogue between the Lisbon of the past and the Lisbon of the future, through architecture, art and memory.

LOCATION

Next to the Memória Church, one of the most beautiful, lesser known churches in Lisbon designed by the Italian architect Giovanni Bibienna, we have found the perfect location for the Wine & Books Lisboa Hotel, an intimate and charming boutique hotel, where you can count on a complete and carefully developed range of services and products chosen for their authenticity, and a team ready to serve you.

Discover Lisbon, the Wine & Books Way.
